EASTERN OKLAHOMA JOINS IN EXTENDING

GREETINGS!

TO THE OFFICERS AND ENLISTED PERSONNEL

86TH DIVISION

AND THEIR WIVES AND FAMILIES
Muskogee joins with all of Eastern Oklahoma in welcoming the battle tested 86th “Black Hawk” division. We are proud of you, and of your record in the European theater. If and when you are redeployed to the Pacific area — we wish you luck: and know that you will do as fine a job in cleaning up the Japs as you did the Nazis.

Each individual of Muskogee extends to you a hearty welcome and hopes that your stay here is a pleasant one. We hope that you will consider Muskogee your home while you are here and when total victory is achieved we will look forward to having you back with us again.
