Dear Stephanie Towery,

We are contacting you because of your paper entitled, 'Workflow Development for an Institutional Repository in an Emerging Research Institution', which was published in Journal of Librarianship and Scholarly Communication, Volume 5 2017, and were very impressed at its scope and contents. We know that you are an expert in your research area.

Our journals named ‘World Journal of Social Science’ and ‘Studies in Asian Social Science’ peer-review, published by Sciedu Press. The journals are devoted to publishing papers in various aspects, fields and scopes of the sociology, anthropology, communication studies, cultural studies, economics, education, human geography, history, law, linguistics, literature, political science, psychology and other relevant social science subjects.

We seek well-written, scholarly papers such as yours above for coming issues. If you have other new, unpublished manuscripts that might fit within our subject areas, please consider submitting to our journals.

For manuscripts submission, please visit: http://wjss.sciedupress.com or http://sass.sciedupress.com You may also e-mail submissions to wjss@sciedupress.com or sass@sciedupress.com

We are recruiting reviewers for the journals. If you are interested to be reviewer, please find the application form and details at: http://web.sciedupress.com/recruitment.html and send the application form to: wjss@sciedupress.com or sass@sciedupress.com

Please feel free to share this information with your colleagues and associates.

Thank you.

Sincerely,

Monica Anderson
