### Recharge Battery

1. Connect USB arm to computer’s USB port.
2. Blinking light indicates charging. The light stops blinking when charged.

- MinoHD uses a sealed, rechargeable battery.
- Recharging a discharged battery takes about 3 hours.
- The camcorder may remain connected to your computer after it is fully charged, but disconnecting it will help preserve the battery’s lifespan and performance.
- The optional Flip Video Power Adapter can charge the battery in about 2 hours.

**Note:** Your computer must be powered on for MinoHD to charge.

---

**Record and Play**

**Touch-Sensitive Buttons**

Gently touch lighted icons with your finger to activate the controls on the back panel.

**Recording Videos**

1. Press record button to start/stop.
2. Touch up/down buttons to zoom in/out.
